The only problem I would see is if your impacting the Greyhound as well as Good Girl Dinette. Other than that should be fine.

Hi Dale/Melinda/Misty!

Dale,

Please touch base with Misty Iwatsu, President of the Highland Park Improvement Association. Also, if you could speak with Melinda Alatorre with the Council Office after you've done so, that will assist with possible concerns in the community. Typically we always have companies do some sort of out-reach to both Melinda and Misty prior to any filming activity in the area, and in this case it's happening super late.

Also, Dale any reach out to the Good Girl Dinette would be much, much appreciated as they are impacted most. They're at 110 North Avenue 56.

Hi Melinda and Misty,

I'm so sorry you ladies were not brought into the loop earlier. Arturo brought this to my attention via your (Melinda) email. Dale is the Location Manager overseeing the commercial shooting at 104 N Avenue 56 tomorrow between 7AM and 10PM.

Dale hopes to hold some of his extras at the Old Bank building on Figueroa. This is already being facilitated by Amy Kardolfer in our office who assists with securing City properties.

Also, Dale will be holding his crew in City lot 635 and parking some cars / equipment in City lot 636. They'll only use 1/2 of the lot and they should be able to coexist nicely with some of the surrounding businesses.

That said, is there anything pressing that we should be aware of before releasing this permit, do let Dale and I

know. Here's Dale's direct number in case you need it: 310-600-5020

Dale,

Please respond all on this email and outline some of your activity with Melinda and Misty so we are all on the same page for tomorrow.

Thanks again and apologies for the late notice.

-Sarah
